

BIBLIOGRAPHIE

LITERATUR ZUR HEGEL-FORSCHUNG
2018 / 2019

Zusammenstellung und Redaktion:
Swantje Bornheim und Johannes-Georg Schüle (Bochum)

Diese fortlaufende Berichterstattung sucht sowohl das nicht selbständig erschienene Schrifttum, also Abhandlungen aus Zeitschriften, Sammelbänden usw., als auch Bücher über Hegel möglichst breit zu erfassen. Sammelbände sowie Periodika-Sondernummern, die ausschließlich der Philosophie Hegels gewidmet sind, werden in der Abteilung Literaturberichte und Kritik als ganze rezensiert. In der Bibliographie werden die einzelnen Abhandlungen solcher Bände in der Regel nicht mehr angezeigt. Die Beiträge werden alphabetisch nach dem Namen der Autoren angeordnet.

An der Bibliographie dieses Bandes haben Katharina Comoth (Berlin) und Lauri Kallio (Helsinki) mitgearbeitet.

Die über Hegel arbeitenden Autorinnen und Autoren sind freundlich eingeladen, durch Einsendung von Sonderdrucken die Berichterstattung zu erleichtern. Allen, die solche Hilfe bisher schon geleistet haben, sei besonders gedankt.
